PROPERTY DESCRIPTION

A grand landmark estate, this stately home is reminiscent of gracious and spacious Southern Antebellum living. A circular drive lined with majestic trees approaches the columned porte-cochere. The grand foyer is bracketed by the front door vestibule with leaded glass and closets, and the back entrance is complete with a cloak room and powder room. Extensive millwork highlights the formal dining room, living room with fireplace and custom pecan library with fireplace. With hardwood flooring, crown moulding, and raised paneling the grand foyer features four sets of pocket doors and a sweeping mahogany staircase to the second floor. The Master Suite features a master bath with Ann Sacks tile and fixtures, a frameless shower and Mosaic marble tile flooring. The master bedroom has raised paneling detail, and a custom walk-in closet with cherry built-ins. Three additional bedrooms and two full baths complete the second story. The third level, formerly used as servants quarters, offers a fifth and sixth bedroom and another full bath, in addition to three walk-in attics. Outdoors, the mahogany veranda has built-in stereo speakers for entertaining and offers sweeping views of the arboretum setting. The in-ground pool overlooks mature plantings, trees and gardens to complete the tranquil ambiance that is "The McLaughlin Estate".
